**The Commonwealth of Massachusetts**

**In the One Hundred and Eighty-Ninth General Court  
(2015-2016)**

An Act relative to substance use, treatment, education and prevention.

*Whereas*, The deferred operation of this act would tend to defeat its purpose, which is to increase forthwith the availability of substance use treatment, education and prevention, therefore, it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Section 118 of chapter 6 of the General Laws, as appearing in the 2014  
2 Official Edition, is hereby amended by adding the following subsection:-

3           The municipal police training committee may establish a course within the recruit basic  
4 training curriculum for regional and municipal police training schools to train law enforcement  
5 officers on the application of section 34A of chapter 94C and section 12FF of chapter 112 and  
6 the procedures for response to calls for assistance for drug-related overdoses. The committee  
7 may periodically include within its in-service training curriculum a course of instruction on the  
8 application of said section 34A of said chapter 94C and the procedures for response to calls for  
9 assistance for drug-related overdoses. Upon request, the executive office of public safety and  
10 security, in collaboration with the department of public health, shall facilitate the collection and  
11 sharing of resources regarding the application of said section 34A of said chapter 94C.

75 whom shall be a representative of Massachusetts recovery high schools with expertise in  
76 adolescent substance use disorders.

77 SECTION 14. Section 13D of chapter 71 of the General Laws, as so appearing, is hereby  
78 amended by adding the following paragraph:-

79 A driver education course shall include a module on the science related to addiction and  
80 addictive substances, including the impact of psychoactive substances on the brain and the effect  
81 of such substances on a person while operating a motor vehicle.

82 SECTION 15. Said chapter 71 is hereby further amended by striking out section 96, as so  
83 appearing, and inserting in place thereof the following 2 sections:-

84 Section 96. Each public school shall have a policy regarding substance use prevention  
85 and the education of its students about the dangers of substance abuse. The school shall notify  
86 the parents or guardians of all students attending the school of the policy and shall post the  
87 policy on the school's website. The policy, and any standards and rules enforcing the policy,  
88 shall be prescribed by the school committee in conjunction with the superintendent or the board  
89 of trustees of a charter school.

90 The department of elementary and secondary education, in consultation with the  
91 department of public health, shall provide guidance and recommendations to assist schools with  
92 developing and implementing effective substance use prevention and abuse education policies  
93 and shall make such guidance and recommendations publicly available on the department's  
94 website. Guidance and recommendations may include educating parents or guardians on  
95 recognizing warning signs of substance abuse and providing available resources. Guidance and

96 recommendations shall be reviewed and regularly updated to reflect applicable research and best  
97 practices.

98           Each school district and charter school shall file its substance use prevention and abuse  
99 education policies with the department of elementary and secondary education in a manner and  
100 form prescribed by the department.

101           Section 97. (a) Subject to appropriation, each city, town, regional school district, charter  
102 school or vocational school district shall utilize a verbal screening tool to screen pupils for  
103 substance use disorders. Screenings shall occur on an annual basis and occur at 2 different grade  
104 levels as recommended by the department of elementary and secondary education, in  
105 consultation with the department of public health. Parents or guardians of a pupil to be screened  
106 pursuant to this section shall be notified prior to the start of the school year. Verbal screening  
107 tools shall be approved by the department of elementary and secondary education, in conjunction  
108 with the department of public health. De-identified screening results shall be reported to the  
109 department of public health, in a manner to be determined by the department of public health, not  
110 later than 90 days after completion of the screening.

111           (b) A pupil or the pupil's parent or guardian may opt out of the screening by written  
112 notification at any time prior to or during the screening. A city, town, regional school district,  
113 charter school or vocational school district utilizing a verbal screening tool shall comply with the  
114 department of elementary and secondary education's regulations relative to consent.

115           (c) Any statement, response or disclosure made by a pupil during a verbal substance use  
116 disorder screening shall be considered confidential information and shall not be disclosed by a  
117 person receiving the statement, response or disclosure to any other person without the prior

118 written consent of the pupil, parent or guardian, except in cases of immediate medical emergency  
119 or a disclosure is otherwise required by state law. Such consent shall be documented on a form  
120 approved by the department of public health and shall not be subject to discovery or subpoena in  
121 any civil, criminal, legislative or administrative proceeding. No record of any statement,  
122 response or disclosure shall be made in any form, written, electronic or otherwise, that includes  
123 information identifying the pupil.

124 (d) The department of elementary and secondary education shall notify each school  
125 district in writing of the requirement to screen students for substance use disorders pursuant to  
126 this section. School districts with alternative substance use screening policies may, on a form  
127 provided by the department, opt out of the required verbal screening tool. The form shall be  
128 signed by the school superintendent and provide a detailed description of the alternative  
129 substance use program the district has implemented and the reasons why the required verbal  
130 screening tool is not appropriate for the district.

131 (e) No person shall have a cause of action for loss or damage caused by an act or  
132 omission resulting from the implementation of this section.

133 SECTION 16. Section 8 of chapter 90 of the General Laws, as so appearing, is hereby  
134 amended by inserting after the word “course”, in line 50, the following words:- , including a  
135 module on the science related to addiction and addictive substances which shall also include the  
136 impact of psychoactive substances on the brain and the effect of such substances on a person  
137 while operating a motor vehicle,.

138 SECTION 17. Said section 8 of said chapter 90, as so appearing, is hereby further  
139 amended by inserting after the word “curriculum”, in line 71, the following words:- , including a

140 module on the science related to addiction and addictive substances which shall also include the  
141 impact of psychoactive substances on the brain and the effect of such substances on a person  
142 while operating a motor vehicle.

143 SECTION 18. The nineteenth paragraph of section 32G of said chapter 90, as so  
144 appearing, is hereby amended by inserting after the first sentence the following sentence:- The  
145 curriculum shall include a module on the science related to addiction and addictive substances,  
146 which shall also include the impact of psychoactive substances on the brain and the effect of  
147 such substances on a person while operating a motor vehicle.

148 SECTION 19. Section 1 of chapter 94C of the General Laws is hereby amended by  
149 inserting after the definition of “drug paraphernalia”, as so appearing, the following definition:-

150 “Extended-release long-acting opioid in a non-abuse deterrent form”, a drug that is: (i)  
151 subject to the United States Food and Drug Administration’s extended release and long-acting  
152 opioid analgesics risk evaluation and mitigation strategy; (ii) an opioid approved for medical use  
153 that does not meet the requirements for listing as a drug with abuse deterrent properties pursuant  
154 to section 13 of chapter 17; and (iii) identified by the drug formulary commission pursuant to  
155 said section 13 of said chapter 17 as posing a heightened level of public health risk.

156 SECTION 20. Section 18 of said chapter 94C, as so appearing, is hereby amended by  
157 striking out, in line 70, the words “A prescription” and inserting in place thereof the following  
158 words:- Except as provided in section 18A, a prescription.

159 SECTION 21. Said section 18 of said chapter 94C, as so appearing, is hereby further  
160 amended by inserting after subsection (d<sup>1/2</sup>) the following subsection:-

161 (d<sup>3/4</sup>) A registered pharmacist filling a prescription for an opioid substance in schedule II  
162 of section 3 may dispense the prescribed substance in a lesser quantity than the recommended  
163 full quantity indicated on the prescription if requested by the patient provided that the  
164 prescription complies with subsection (c) of section 22. The remaining quantity in excess of the  
165 quantity requested by the patient shall be void. If the dispensed quantity is less than the  
166 recommended full quantity, the pharmacist or a designee shall, within a reasonable time  
167 following a reduction in quantity but not more than 7 days, notify the prescribing practitioner of  
168 the quantity actually dispensed. The notification shall be conveyed by a notation in the  
169 interoperable electronic health record of the patient as defined in section 1 of chapter 118I or, if  
170 the pharmacist does not have the ability to make a notation in the patient's interoperable  
171 electronic health record, by facsimile, electronic transmission or by making a notation in the  
172 patient's record maintained by the pharmacy which shall be accessible to the practitioner by  
173 request. Nothing in this subsection shall be interpreted to conflict with or supersede any other  
174 requirement established in this section for a prescription of an opiate substance or any  
175 requirements or conditions for drug substitutions established in chapter 112.

176 SECTION 22. Said section 18 of said chapter 94C, as so appearing, is hereby further  
177 amended by striking out subsection (e) and inserting in place thereof the following subsection:-

178 (e) Practitioners who prescribe controlled substances, except veterinarians, shall be  
179 required, as a prerequisite to obtaining or renewing their professional licenses, to complete  
180 appropriate training relative to: (i) effective pain management; (ii) the risks of abuse and  
181 addiction associated with opioid medication; (iii) identification of patients at risk for substance  
182 use disorders; (iv) counseling patients about the side effects, addictive nature and proper storage  
183 and disposal of prescription medications; (v) appropriate prescription quantities for prescription

184 medications that have an increased risk of abuse; and (vi) opioid antagonists, overdose  
185 prevention treatments and instances in which a patient may be advised on both the use of and  
186 ways to access opioid antagonists and overdose prevention treatments. The boards of registration  
187 for each professional license that requires this training shall develop the standards for appropriate  
188 training programs.

189 SECTION 23. Said chapter 94C is hereby further amended by inserting after section 18  
190 the following 3 sections:-

191 Section 18A. (a) Prior to issuing an extended-release long-acting opioid in a non-abuse  
192 deterrent form for outpatient use for the first time, a practitioner registered under section 7 shall:  
193 (i) evaluate the patient's current condition, risk factors, history of substance abuse, if any, and  
194 current medications; and (ii) inform the patient and note in the patient's medical record that the  
195 prescribed medication, in the prescriber's medical opinion, is an appropriate course of treatment  
196 based on the medical need of the patient.

197 (b) In the event that a practitioner recommends that an extended-release long-acting  
198 opioid be utilized during the course of long-term pain management, the practitioner registered  
199 under section 7 shall enter into a written pain management treatment agreement with the patient  
200 that appropriately addresses the benefits as well as the risk factors for abuse or misuse of the  
201 prescribed substance under guidelines published by the department. Such an agreement shall be  
202 filed in the patient's medical record or included in the patient's electronic health record.

203 Section 18B. (a) The department shall establish a voluntary non-opiate directive form.  
204 The form shall indicate to all practitioners that an individual shall not be administered or offered  
205 a prescription or medication order for an opiate. The form shall be posted on the department's

206 searchable website. An individual may execute and file a voluntary non-opiate directive form  
207 with a practitioner registered under section 7 or other authority authorized by the secretary to  
208 accept the voluntary non-opiate directive form for filing. An individual may revoke the voluntary  
209 non-opiate directive form for any reason and may do so by written or oral means.

210 (b) The department shall promulgate regulations for the implementation of the voluntary  
211 non-opiate directive form which shall include, but not be limited to:

212 (i) procedures to record the voluntary non-opiate directive form in the individual's  
213 interoperable electronic health record and in the prescription drug monitoring program  
214 established in section 24A;

215 (ii) a standard form for the recording and transmission of the voluntary non-opiate  
216 directive form, which shall include verification by a practitioner registered under section 7 and  
217 which shall comply with the written consent requirements of the Public Health Service Act, 42  
218 U.S.C. § 290dd-2(b), and 42 CFR Part 2; provided, however, that the voluntary non-opiate  
219 directive form shall also provide the basic procedures necessary to revoke the voluntary non-  
220 opiate directive form;

221 (iii) requirements for an individual to appoint a duly authorized guardian or health care  
222 proxy to override a previously recorded voluntary non-opiate directive form;

223 (iv) procedures to ensure that any recording, sharing or distribution of data relative to the  
224 voluntary non-opiate directive form complies with all state and federal confidentiality laws; and

225 (v) appropriate exemptions for emergency medical personnel.

226 (c) A written prescription that is presented at an outpatient pharmacy or a prescription  
227 that is electronically transmitted to an outpatient pharmacy shall be presumed to be valid for the  
228 purposes of this section and a pharmacist in an outpatient setting shall not be held in violation of  
229 this section for dispensing a controlled substance in contradiction to a voluntary non-opiate  
230 directive form, except upon evidence that the pharmacist acted knowingly against the voluntary  
231 non-opiate directive form.

232 (d) No health care provider or employee of a health care provider acting in good faith  
233 shall be subject to criminal or civil liability or be considered to have engaged in unprofessional  
234 conduct for failing to offer or administer a prescription or medication order for an opiate under  
235 the voluntary non-opiate directive form.

236 No person acting as an agent pursuant to a health care proxy shall be subject to criminal  
237 or civil liability for making a decision under clause (iii) of subsection (b) in good faith.

238 (e) Any board of professional licensure may limit, condition or suspend the license of or  
239 assess fines against a licensed health care provider who recklessly or negligently fails to comply  
240 with a person's voluntary non-opiate directive form.

241 Section 18C. Prior to issuing a prescription for an opioid contained in Schedule II of  
242 section 3, a practitioner registered under section 7 shall: (i) consult with a the patient regarding  
243 the quantity of the opioid and a patient's option to fill the prescription in a lesser quantity; and  
244 (ii) inform the patient of the risks associated with the opioid prescribed.

245 SECTION 24. Said chapter 94C is hereby amended by inserting after section 19C the  
246 following section:-

247 Section 19D. (a) When issuing a prescription for an opiate to an adult patient for  
248 outpatient use for the first time, a practitioner shall not issue a prescription for more than a 7-day  
249 supply. A practitioner shall not issue an opiate prescription to a minor for more than a 7-day  
250 supply at any time and shall discuss with the parent or guardian of the minor the risks associated  
251 with opiate use and the reasons why the prescription is necessary.

252 (b) Notwithstanding subsection (a), if, in the professional medical judgment of a  
253 practitioner, more than a 7-day supply of an opiate is required to treat the adult or minor patient's  
254 acute medical condition or is necessary for the treatment of chronic pain management, pain  
255 associated with a cancer diagnoses or for palliative care, then the practitioner may issue a  
256 prescription for the quantity needed to treat such acute medical condition, chronic pain, pain  
257 associated with a cancer diagnosis or pain experienced while the patient is in palliative care. The  
258 condition triggering the prescription of an opiate for more than a 7-day supply shall be  
259 documented in the patient's medical record and the practitioner shall indicate that a non-opiate  
260 alternative was not appropriate to address the medical condition.

261 (c) Notwithstanding subsections (a) and subsection (b), this section shall not apply to  
262 medications designed for the treatment of substance abuse or opioid dependence.

263 SECTION 25. Section 21 of said chapter 94C, as appearing in the 2014 Official Edition,  
264 is hereby amended by inserting after the word "drugs", in line 19, the following words:- ,  
265 specifically opiates,.

266 SECTION 26. Section 22 of said chapter 94C, as so appearing, is hereby amended by  
267 adding the following subsection:-

268 (c) Any prescription issued by a practitioner for an opioid substance contained in  
269 Schedule II of section 3 shall include a notation on the prescription that the patient may fill, upon  
270 request, the prescription in compliance with subsection (d <sup>3</sup>/<sub>4</sub>) of section 18 in an amount not to  
271 exceed the recommended full quantity indicated.

272 SECTION 27. The second paragraph of subsection (c) of section 24A of said chapter  
273 94C, as so appearing, is hereby amended by striking out the first sentence and inserting in place  
274 thereof the following sentence:- The department shall promulgate rules and regulations relative  
275 to the use of the prescription monitoring program by registered participants which shall include  
276 the requirement that prior to issuance, participants shall utilize the prescription monitoring  
277 program each time a prescription for a narcotic drug that is contained in Schedule II or III is  
278 issued.

279 SECTION 28. Said section 24A of said chapter 94C is hereby further amended by  
280 striking out subsection (h), as so appearing, and inserting in place thereof the following  
281 subsection:-

282 (h) The department may provide de-identified information to a public or private entity for  
283 statistical research or educational purposes.

284 SECTION 29. Said chapter 94C is hereby further amended by inserting after section 24A  
285 the following section:-

286 Section 24B. The department shall annually determine, through the prescription drug  
287 monitoring system established in section 24A, the mean and median quantity and volume of  
288 prescriptions for opiates contained in Schedules II and III of section 3 issued by practitioners  
289 registered under section 7; provided, however, that mean and median prescription quantities and

290 volumes shall be determined within categories of practitioners of a similar specialty or practice  
291 type as determined by the department.

292 The department shall work in conjunction with the respective boards of licensure to  
293 annually determine each practitioner's Schedule II and Schedule III opiate prescribing quantity  
294 and volume and the practitioner's standing with regard to the mean and median quantity and  
295 volume for the practitioner's category of specialty or practice type; provided, however, that the  
296 practitioner's standing shall be expressed as a percentile ranking for the practitioner within the  
297 practitioner's category. Each practitioner whose prescribing exceeds the mean or median within  
298 the practitioner's category shall be sent notice of the practitioner's percentile ranking in a manner  
299 determined by the department. Any practitioner may request the practitioner's own percentile  
300 ranking within the practitioner's own category of practice. The ranking determined for each  
301 practitioner shall be confidential, and shall be distributed by the department or by the relevant  
302 board of licensure only to the practitioner to which the information pertains. Such information  
303 shall not; (a) constitute a public record as defined in clause twenty-sixth of section 7 of chapter  
304 4; (b) be admissible as evidence in a civil or criminal proceeding; or (c) be the sole basis for  
305 investigation by a licensure board.

306 The department shall also coordinate with the respective boards of licensure to make  
307 resources available to prescribers regarding ways to change prescribing practices and incorporate  
308 alternative pain management options into a prescriber's practice.

309 SECTION 30. Subsection (b) of Class B of section 31 of said chapter 94C, as so  
310 appearing, is hereby amended by striking out clause (1) and inserting in place thereof the  
311 following 2 clauses:-

312 (1) Acetyl fentanyl

313 (1½) Alphaprodine

314 SECTION 31. The General Laws are hereby further amended by inserting after chapter  
315 94F the following chapter:-

316 CHAPTER 94G.

317 DRUG STEWARDSHIP PROGRAM.

318 Section 1. As used in this chapter, the following words shall have the following meanings  
319 unless the context clearly requires otherwise:

327 procedures established in section 27A of chapter 94C; or (v) drugs approved and used primarily  
328 for medication-assisted substance use disorder treatment.

329 “Department”, the department of public health.

330 “Drug stewardship program”, a program financed by a pharmaceutical product  
331 manufacturer or a group of manufacturers to collect, secure, transport and safely dispose of  
332 unwanted drugs.

333           “Pharmaceutical product manufacturer” or “manufacturer”, an entity that manufactures a  
334 controlled substance under a United States Food and Drug Administration manufacturer’s  
335 license, except for an institutional pharmacy, as defined in section 39D of chapter 112 or a  
336 wholesaler.

337           “Prescription drug”, any drug product which may be dispensed pursuant to chapter 94C  
338 under a written prescription by an authorized prescriber.

339           “Stewardship organization”, an organization designated by a manufacturer or a group of  
340 manufacturers to act as an agent on behalf of the manufacturer or the group of manufacturers to  
341 implement and operate a drug stewardship program.

342           “Unwanted drug”, a covered drug: (i) that is no longer wanted or intended to be  
343 consumed, or that is abandoned, discarded, expired or surrendered by the person to whom it was  
344 prescribed; or (ii) voluntarily deposited at collection points co-located with a law enforcement  
345 agency; provided, however, that “unwanted drug” shall not include: (A) waste or unused drug  
346 products from a pharmacy, hospital or health clinic or other commercial sources that the  
347 department may determine by regulation to be a nonresidential source; or (B) drug products  
348 seized by law enforcement officers in the course of their law enforcement duties.

349           “Wholesaler”, an entity licensed pursuant to section 36B of chapter 112.

350           Section 2. (a) Any pharmaceutical product manufacturer selling or distributing a covered  
351 drug to consumers in the commonwealth, whether directly or through a wholesaler, retailer or  
352 other agent, shall: (i) operate a drug stewardship program approved by the department  
353 individually or jointly with other manufacturers; (ii) enter into an agreement with a stewardship

354 organization that shall operate a drug stewardship program approved by the department; or (iii)  
355 enter into an agreement with the department to operate an alternative plan under section 6.

356 (b) The department shall establish a process to review applications for approval and  
357 renewal of a manufacturer's drug stewardship plan. The department shall consult with the  
358 Massachusetts Biotechnology Council, the Interagency Council on Substance Abuse and other  
359 interested parties in developing the requirements of a drug stewardship program.

360 (c) Each operator of a drug stewardship program shall file an annual written report to the  
361 department describing the program's activities for the prior year and the volume and type of  
362 unwanted drugs collected not later than March 1.

363 (d) The department shall review for renewal each drug stewardship program at a  
364 frequency to be determined by the department.

365 (e) The department shall publish and make publicly available a list and description of  
366 each approved drug stewardship program and shall update this list at a frequency determined by  
367 the department.

368 (f) The department may promulgate regulations to implement this chapter.

369 Section 3. A manufacturer or stewardship organization seeking approval for a drug  
370 stewardship program shall submit, in a manner and form determined by the department, a plan  
371 that meets, but is not limited to, the following requirements:

372 (i) a collection system to provide convenient, ongoing collection services to all persons  
373 seeking to dispose of unwanted drugs; provided, however, that the collection system may accept  
374 any covered drug and any other prescription drug in a pill formulation regardless of its schedule,

375 brand or source of manufacture; provided further, that the collection system shall include 2  
376 methods as recommended by the department, which may include, but not be limited to: (A) a  
377 mail-back program that provides prepaid and preaddressed packaging for a pharmacy to  
378 distribute when filling a prescription for a covered drug or upon request by a consumer; (B)  
379 collection kiosks; (C) drop-off day events at regional locations; (D) in-home disposal methods  
380 that render a product safe from misuse and that comply with applicable controlled substance  
381 regulations and environmental safety regulations; or (E) any other method recommended  
382 pursuant to United States Drug Enforcement Administration guidelines;

383 (ii) adequate provisions for the security of unwanted drugs throughout the collection  
384 process and the safety of any person involved in monitoring, staffing or servicing the  
385 stewardship program;

386 (iii) a plan for public outreach and education about the drug stewardship program;

387 (iv) a plan for the manufacturer or stewardship organization that provides the operational  
388 and administrative costs associated with the program; provided, however, that no point-of-sale,  
389 point-of-collection, processing fees or other drug cost increases may be charged to individual  
390 consumers to recoup program costs;

391 (v) an attestation that the program shall comply with all applicable state and federal  
392 requirements for the collection, security, transport and disposal of drug products, including any  
393 requirements established by rule or regulation of either the United States Drug Enforcement  
394 Administration or the United States Environmental Protection Agency; and

395 (vi) any other requirements established by the department for the safe and effective  
396 administration of a drug stewardship program.

397 Section 4. (a) The department shall send a notice to a pharmaceutical product  
398 manufacturer that sells or distributes a covered drug in the commonwealth that has not submitted  
399 an application for approval under section 2, informing the manufacturer of the requirements to  
400 comply with this chapter. Any manufacturer in receipt of a notice shall submit an application for  
401 approval under said section 2 within 180 calendar days of receipt of such initial notice.

402 (b) Upon becoming aware that a pharmaceutical product manufacturer has discontinued  
403 its drug stewardship program or has altered the program such that the program no longer fulfills  
404 the requirements of this chapter, the department shall send a notice of noncompliance to the  
405 manufacturer. A manufacturer in receipt of a notice of noncompliance shall take all required  
406 corrective steps to reestablish compliance with this chapter or submit a written appeal of the  
407 notice of noncompliance to the department within 90 days of receipt of the notice of  
408 noncompliance.

409 (c) If after consideration of an appeal or if the manufacturer does not appeal within 90  
410 days of receipt of the notice of noncompliance the department determines that the manufacturer  
411 continues to be in noncompliance with this chapter, the department may assess the manufacturer  
412 a penalty in a manner to be determined by the department. If the department plans to assess a  
413 noncompliance penalty against a manufacturer pursuant to this section, the department shall send  
414 notice of the penalty and the right to appeal the penalty to the manufacturer.

415 Section 5. (a) The requirements established by the department, in consultation with  
416 Massachusetts Biotechnology Council, the Interagency Council on Substance Abuse and other  
417 stakeholders, may exceed, but shall not conflict with, any obligations imposed on a manufacturer

418 by a risk evaluation and mitigation strategy approved by the United States Food and Drug  
419 Administration.

420 (b) Nothing in this chapter shall require a retail pharmacy or a pharmacist practicing in a  
421 retail setting to participate in the collection, securing, transport or disposal of unwanted drugs.

422 (c) No stewardship program shall require an outpatient pharmacy to participate in the  
423 collection, securing, transport or disposal of unwanted drugs or to provide a space for or to  
424 maintain a collection kiosk within an outpatient pharmacy unless the pharmacy certifies, in  
425 writing, that this participation is voluntary.

426 Section 6. The department shall, in consultation with the Massachusetts Biotechnology  
427 Council, the Interagency Council on Substance Abuse and other interested parties, develop an  
428 alternative plan to the drug stewardship program established under sections 2 to 5, inclusive. A  
429 manufacturer who opts into a plan established under this section shall be exempt from sections 2  
430 to 5, inclusive.

431 A plan established under this section may permit contributions by manufacturers to the  
432 Substance Abuse Services Fund established in section 2I of chapter 111, in a manner determined  
433 by the department. A manufacturer participating in a plan established under this section shall not  
434 pass the cost of any contribution on to the consumer or a health insurance carrier.

435 SECTION 32. Chapter 111 of the General Laws, as appearing in the 2014 Official  
436 Edition, is hereby amended by inserting after section 51 the following section:-

437 Section 51½. (a) For the purposes of this section, the following words shall have the  
438 following meanings:-

439 “Acute-care hospital”, any hospital licensed under section 51 that contains a majority of  
440 medical-surgical, pediatric, obstetric, and maternity beds, as defined by the department and the  
441 teaching hospital of the University of Massachusetts Medical School.

442 “Licensed mental health professional”, a licensed physician who specializes in the  
443 practice of psychiatry or addiction medicine, a licensed psychologist, a licensed independent  
444 social worker, a licensed mental health counselor, a licensed psychiatric clinical nurse specialist  
445 or a licensed alcohol and drug counselor I as defined in section 1 of chapter 111J.

446 “Satellite emergency facility”, a health care facility that operates on a 7-day per week,  
447 24-hour per day basis that is located off the premises of a hospital, but is listed on the license of a  
448 hospital, and is authorized to accept patients transported to the facility by ambulance.

449 “Substance abuse evaluation”, an evaluation ordered pursuant to subsection (b) that is  
450 conducted by a licensed mental health professional or through an emergency services program,  
451 which shall include, but not be limited to, the following information: (1) history of the patient’s  
452 use of alcohol, tobacco and other drugs, including age of onset, duration, patterns and  
453 consequences of use; (2) the use of alcohol, tobacco and other drugs by family members; (3)  
454 types of and responses to previous treatment for substance use disorders or other psychological  
455 disorders; (4) an assessment of the patient’s psychological status including co-occurring  
456 disorders, trauma history and history of compulsive behaviors; and (4) an assessment of the  
457 patient’s human immunodeficiency virus, hepatitis C, and tuberculosis risk status.

458 (b) A person presenting in an acute-care hospital or a satellite emergency facility who  
459 is reasonably believed by the treating clinician to be experiencing an opiate-related overdose, or  
460 who has been administered naloxone prior to arriving at the hospital or facility, shall receive a

461 substance abuse evaluation within 24 hours of receiving emergency room services. A substance  
462 abuse evaluation shall conclude with a diagnosis of the status and nature of the patient's  
463 substance use disorder, using standardized definitions as set forth in the Diagnostic and  
464 Statistical Manual of Mental Disorders as published by the American Psychiatric Association a  
465 diagnosis of a mental or behavioral disorder due to the use of psychoactive substances, as  
466 defined and coded by the World Health Organization. Each patient shall be presented with the  
467 findings of the evaluation in person and in writing, and the findings shall include  
468 recommendations for further treatment, if necessary, with an assessment of the appropriate level  
469 of care needed. Findings from the evaluation shall be entered into the patient's medical record.  
470 No acute-care hospital or satellite emergency facility shall permit early discharge, defined as less  
471 than 24 hours after presentation or before the conclusion of a substance abuse evaluation,  
472 whichever occurs sooner. If a patient does not receive an evaluation within 24 hours, the treating  
473 clinician shall note in the medical record the reason the evaluation did not take place and  
474 authorize the discharge of the patient. No clinician shall be held liable in a civil suit for releasing  
475 a patient who does not wish to remain in the emergency department after stabilization, but before  
476 a substance abuse evaluation has taken place.

477 (c) After a substance abuse evaluation has been completed pursuant to subsection (b)  
478 a patient may consent to further treatment. Treatment may occur within the acute-care hospital or  
479 satellite emergency facility, if appropriate services are available; provided, however, that if the  
480 hospital or satellite emergency facility is unable to provide such services, the hospital or satellite  
481 emergency facility shall refer the patient to treatment center outside of the hospital or satellite  
482 emergency facility. Medical necessity for further treatment shall be determined by the treating  
483 clinician in consultation with the patient and noted in the medical record. If a patient refuses

484 further treatment after the evaluation is complete, and is otherwise medically stable, the hospital  
485 or satellite emergency facility may initiate discharge proceedings. All patients receiving an  
486 evaluation under subsection (b) shall receive, upon discharge, information on local and statewide  
487 treatment options, providers and other relevant information as deemed appropriate by the treating  
488 clinician.

489 (d) If a person has received a substance abuse evaluation within the past 3 months,  
490 further treatment and the need for a further evaluation shall be determined by the treating  
491 clinician according to best practices and procedures.

492 (e) If a person under 18 years of age is ordered to undergo a substance abuse  
493 evaluation, a parent or guardian shall be notified that the minor has suffered from an opiate-  
494 related overdose and that an evaluation has been ordered. A parent or guardian may be present  
495 when the findings of the evaluation are presented to the minor.

496 (f) Upon discharge of a patient who experienced an opiate-related overdose, the acute-  
497 care hospital or satellite emergency facility shall notify the patient's primary care physician, if  
498 known, of the opiate-related overdose and any recommendations for further treatment.

499 (g) Upon discharge of a patient who experienced an opiate-related overdose, the acute-  
500 care hospital or satellite emergency facility shall record the opiate-related overdose on the  
501 patient's electronic medical record.

502 (h) Nothing in this section shall interfere with an individual's right to refuse medical care.

503 SECTION 33. Subsection (a) of section 222 of said chapter 111, as so appearing, is  
504 hereby amended by adding the following paragraph:-

505           The bureau of substance abuse services shall provide educational materials on the  
506 dangers of opiate use and misuse to those persons participating in the annual head injury safety  
507 program required by this section. The educational materials shall also be distributed in written  
508 form to all students participating in an extracurricular athletic activity prior to the  
509 commencement of their athletic seasons.

510           SECTION 34. Section 1 of chapter 111E of the General Laws, as appearing in the 2014  
511 Official Edition, is hereby amended by striking out the definition of ‘advisory board’.

512           SECTION 35. Section 3 of said chapter 111E, as so appearing, is hereby repealed.

513           SECTION 36. Section 4 of said chapter 111E, as so appearing, is hereby amended by  
514 striking out, in lines 6 and 7, the words “the advisory board.”

515           SECTION 37. Chapter 112 of the General Laws, is hereby amended by inserting after  
516 section 12EE the following section:-

517           Section 12FF. Any person who, in good faith, attempts to render emergency care by  
518 administering naloxone or any other opioid antagonist, as defined in section 19B of chapter 94C,  
519 to a person reasonably believed to be experiencing an opiate-related overdose, shall not be liable  
520 for acts or omissions resulting from the attempt to render this emergency care; provided,  
521 however, that this section shall not apply to acts of gross negligence or willful or wanton  
522 misconduct.

523           SECTION 38. Said chapter 112 is hereby further amended by inserting after section 24G  
524 the following section:-

525 Section 24H. (a) The board of registration in pharmacy shall establish a rehabilitation  
526 program for registered pharmacists, pharmacy interns and pharmacy technicians who have a  
527 substance use issue.

528 (b) The rehabilitation program shall: (i) serve as a voluntary alternative to traditional  
529 disciplinary actions; (ii) establish criteria for the acceptance, denial or termination of registered  
530 pharmacists, pharmacy interns and pharmacy technicians in the program; and (iii) establish an  
531 outreach program to identify registered pharmacists, pharmacy interns and pharmacy technicians  
532 who may have a substance use disorder and to provide education about the rehabilitation  
533 program.

534 Only a registered pharmacist, pharmacy intern or pharmacy technician who has requested  
535 rehabilitation and supervision shall be eligible to participate in the program.

536 (c) The board shall appoint a rehabilitation evaluation committee, 2 of whom shall be  
537 registered pharmacists with demonstrated experience in the field of substance use disorders, 1 of  
538 whom shall be a medical doctor with experience in the treatment of substance use disorders, 1 of  
539 whom shall be a pharmacy technician with demonstrated experience in the field of substance use  
540 disorders, 1 of whom shall be a registered pharmacist who has recovered from drug or alcohol  
541 addiction and has been drug and alcohol free for a minimum of 5 years and 2 of whom shall be  
542 representatives of the public who are knowledgeable about substance use disorders or mental  
543 health. Three members of the committee shall constitute a quorum. The committee shall elect a  
544 chairperson and a vice chairperson. Members of the committee shall serve for terms of 4 years.  
545 At the time of appointment or reappointment to the committee, no member of the committee who  
546 is licensed to practice by the department of public health, division of professional licensure or by

547 the board of registration in medicine shall have had any type of disciplinary or enforcement  
548 action taken against them by their respective licensing board, the United States Food and Drug  
549 Administration or the United States Drug Enforcement Administration during the 5 years  
550 preceding their appointment to the committee. No member of the board of registration in  
551 pharmacy shall serve on the committee. Meetings of the committee shall not be subject to  
552 sections 18 to 25, inclusive, of chapter 30A.

553 (d) The board shall employ a pharmacist supervisor with demonstrated professional  
554 expertise in the field of substance use disorders to oversee participants in the rehabilitation  
555 program. The supervisor shall serve as a liaison among the board, the committee, approved  
556 treatment programs and providers and participants. Following consultation with members of the  
557 committee, the supervisor may authorize and implement changes to a participant's individualized  
558 rehabilitation program based on information that the supervisor may receive concerning a  
559 participant's failure to comply with the participant's individualized rehabilitation program as  
560 necessary to protect public health, safety and welfare; provided, however, that the changes shall  
561 remain in effect until review by the board takes place. Any information obtained by a supervisor  
562 pursuant to this section shall be exempt from disclosure and shall be confidential, subject to  
563 subsections (f) and (g).

564 (e) All rehabilitation evaluation committee findings shall be submitted to the board as  
565 recommendations and shall be subject to final approval of the board. The committee shall have  
566 the following duties and responsibilities:

567 (i) to evaluate, according to guidelines established by the board, registered pharmacists,  
568 pharmacy interns or pharmacy technicians who request to participate in the program and

569 consider the recommendations of the pharmacist supervisor regarding the admission of a  
570 registered pharmacist, pharmacy intern or pharmacy technician into the program;

571 (ii) to review and designate treatment facilities and services to which participants may be  
572 referred;

573 (iii) to receive and review information concerning a participant in the program;

574 (iv) to consider, for each participant, whether the participant may continue or may resume  
575 practice within the full scope of the participant's license;

576 (v) to call meetings as necessary to review the request of a registered pharmacist,  
577 pharmacy intern or pharmacy technician to participate in the program and review reports  
578 regarding participants;

579 (vi) to prepare reports to be submitted to the board;

580 (vii) to provide each participant with an individualized rehabilitation plan with  
581 requirements for supervision and surveillance; and

582 (viii) to provide information to pharmacists, pharmacy interns or pharmacy technicians  
583 who request to participate in the program.

584 (f) A registered pharmacist, pharmacy intern or pharmacy technician who requests to  
585 participate in the program shall agree to cooperate with the individualized rehabilitation plan  
586 recommended by the rehabilitation evaluation committee and approved by the board. Any failure  
587 to comply with the rehabilitation program may result in termination of the participant from the  
588 rehabilitation program. The committee shall report to the board the name and license number of a

589 registered pharmacist, pharmacy intern or pharmacy technician terminated from the program for  
590 failure to comply with the provisions of an individualized rehabilitation plan.

591 (g) After the committee, in its discretion, has determined that a registered pharmacist,  
592 pharmacy intern or pharmacy technician has successfully completed an individualized  
593 rehabilitation plan through the program, the board shall seal all records pertaining to the  
594 participation of the registered pharmacist, pharmacy intern or pharmacy technician in the  
595 program; provided, however, that no record shall be sealed sooner than 5 years from the  
596 participant's date of entry into the program. All board and committee records and records of a  
597 participant's involvement in the program shall be kept confidential and shall not be subject to  
598 discovery or subpoena in any civil, criminal, legislative or administrative proceeding without the  
599 prior written consent of the participant.

600 SECTION 39. Section 10H of chapter 118E of the General Laws, as added by section 19  
601 of chapter 258 of the acts of 2014, is hereby amended by inserting after the figure "7", in line 45,  
602 the following words:- ; and provided further, that the division and its contracted health insurers,  
603 health plans, health maintenance organizations, behavioral health management firms and third  
604 party administrators under contract to a Medicaid managed care organization or primary care  
605 clinician plan shall cover, without preauthorization, substance abuse evaluations ordered  
606 pursuant to section 51½ of chapter 111.

607 SECTION 40. The third paragraph of section 35 of chapter 123 of the General Laws, as  
608 appearing in the 2014 Official Edition, is hereby amended by striking out the fifth sentence  
609 inserting in place thereof the following sentence:- If such person is not immediately presented  
610 before a judge of the district court, the warrant shall continue day after day for up to 5

611 consecutive days, excluding Saturdays, Sundays and legal holidays, or until such time as the  
612 person is presented to the court, whichever is sooner; provided, however that an arrest on such  
613 warrant shall not be made unless the person may be presented immediately before a judge of the  
614 district court.

615 SECTION 41. Section 1 of chapter 138 of the General Laws, as so appearing , is hereby  
616 amended by inserting after the definition of “malt beverages”, the following definition:-

617 “Powdered alcohol”, a nonmedicinal product in powdered or crystalline form that  
618 contains alcohol and is intended for consumption by direct use or when mixed with water or  
619 another substance.

620 SECTION 42. Said chapter 138 is hereby further amended by inserting after section 2 the  
621 following section:-

622 Section 2A. No person shall sell, offer for sale, manufacture or possess powdered  
623 alcohol. Whoever violates this section shall be punished by a fine of not less than \$100 or more  
624 than \$1,000.

625 SECTION 43. Section 47FF of chapter 175 of the General Laws, as appearing in the  
626 2014 Official Edition, is hereby amended by inserting after the word “treatment”, in line 3, the  
627 following words:- ; a substance abuse evaluation, as defined in section 51½ of chapter 111.

628 SECTION 44. Section 47GG of said chapter 175, as so appearing, is hereby amended by  
629 striking out, in line 21, the word ‘118M’ and inserting in place thereof the following word:-  
630 111M.

631 SECTION 45. Section 47GG of said chapter 175, as so appearing, is hereby amended by  
632 inserting after the figure “7”, in line 29, the following words:- ; provided further, any policy,  
633 contract, agreement, plan or certificate of insurance issued, delivered or renewed within the  
634 commonwealth, which is considered creditable coverage pursuant to section 1 of chapter 111M,  
635 shall cover, without preauthorization, a substance abuse evaluation ordered pursuant to section  
636 51½ of chapter 111.

637 SECTION 46. Section 8HH of chapter 176A of the General Laws, as appearing in the  
638 2014 Official Edition, is hereby amended by inserting after the word “treatment”, in line 3, the  
639 following words:- ; a substance abuse evaluation, as defined in section 51½ of chapter 111.

640 SECTION 47. Section 8II of said chapter 176A, as so appearing, is hereby amended by  
641 inserting after the figure ‘7’, in line 28, the following words:- ; provided further, any contract  
642 between a subscriber and the corporation under an individual or group hospital service plan  
643 which is delivered, issued or renewed within the commonwealth, shall cover, without  
644 preauthorization, a substance abuse evaluation ordered pursuant to section 51½ of chapter 111.

645 SECTION 48. Section 4HH of chapter 176B of the General Laws, as appearing in the  
646 2014 Official Edition, is hereby amended by inserting after the word “treatment”, in line 3, the  
647 following words:- ; a substance abuse evaluation, as defined in section 51½ of chapter 111.

648 SECTION 49. Section 4II of said chapter 176B, as so appearing, is hereby amended by  
649 inserting after the words figure ‘7’, in line 28, the following words:- ; provided further, any  
650 subscription certificate under an individual or group medical service agreement delivered, issued  
651 or renewed within the commonwealth shall provide coverage for, without preauthorization, a  
652 substance abuse evaluation ordered pursuant to section 51½ of chapter 111.

653 SECTION 50. Section 4Z of chapter 176G of the General Laws, as appearing in the 2014  
654 Official Edition, is hereby amended by inserting after the word “treatment”, in line 3, the  
655 following words:- ; a substance abuse evaluation, as defined in section 51½ of chapter 111.

656 SECTION 51. Section 4AA of said chapter 176G, as so appearing, is hereby amended by  
657 inserting after the figure ‘7’, in line 27, the following words:- ; provided further, an individual or  
658 group health maintenance contract that is issued or renewed shall provide coverage for, without  
659 preauthorization, a substance abuse evaluation ordered pursuant to section 51½ of chapter 111.

660 SECTION 52. Section 7 of chapter 176O of the General Laws, as appearing in the 2014  
661 Official Edition, is hereby amended by striking out, in line 59, the word “and”.

662 SECTION 53. Said section 7 of said chapter 176O, as so appearing, is hereby further  
663 amended by inserting after the word “age”, in line 68, the following words:- ; and

664 (5) a report detailing for the previous calendar year the total number of: (i) medical or  
665 surgical claims submitted to the carrier; (ii) medical or surgical claims denied by the carrier; (iii)  
666 mental health or substance use disorder claims submitted to the carrier; (iv) mental health or  
667 substance use disorder claims denied by the carrier; and (v) medical or surgical claims and  
668 mental health or substance use disorder claims denied by the carrier because: (A) the insured  
669 failed to obtain pre-treatment authorization or referral for services; (B) the service was not  
670 medically necessary; (C) the service was experimental or investigational; (D) the insured was not  
671 covered or eligible for benefits at the time services occurred; (E) the carrier does not cover the  
672 service or the provider under the insured’s plan; (F) duplicate claims had been submitted; (G)  
673 incomplete claims had been submitted; (H) coding errors had occurred; or (I) of any other  
674 specified reason.

675 SECTION 54. Subsection (b) of section 24 of said chapter 176O, as so appearing, is  
676 hereby amended by adding the following sentence:- The decision on the appeal shall prominently  
677 provide information on the patient’s right to appeal the decision to the office of patient protection  
678 including, but not limited to: (i) contact information for the office of patient protection,; (ii) a  
679 notice of a patient’s right to file a grievance with the office of patient protection; and (iii)  
680 information on how to file a grievance with the office of patient protection.

681 SECTION 55. Chapter 94G of the General Laws is hereby repealed.

682 SECTION 56. Item 4000-0005 of section 2 of chapter 46 of the acts of 2015 is hereby

717 however, that the first meeting of the commission shall take place on or before than June 1, 2016.

718 (c) The special commission shall develop recommendations to ensure future prescribers  
719 have an understanding of: (i) pain treatment; (ii) the development of a pain management  
720 treatment plan and safe prescribing practices of controlled substances; (iii) the effective use of  
721 the prescription monitoring program; (iv) substance use disorder symptoms and treatment  
722 options; (v) alternative pain management options; and (vi) state and federal laws and regulations  
723 related to controlled substances.

724 (d) The special commission shall submit its recommendations, together with drafts of any  
725 legislation, to the clerks of the house of representative and the senate, the chairs of the joint  
726 committee on higher education and the chairs of the joint committee on mental health and  
727 substance abuse on or before December 1, 2016.

728 SECTION 59. (a) There shall be a special commission to examine the feasibility of  
729 establishing a pain management access program, with the goal of increasing access to pain  
730 management for patients in need of comprehensive pain management resources.

731 (b) The commission shall review: (i) the development of a referral process to make pain  
732 management specialists accessible to primary care providers, including a process similar to the  
733 Massachusetts child psychiatry access project; (ii) the establishment of a pain management  
734 specialty certification through the board of registration in medicine to refer a primary care  
735 provider through the referral system described in clause (i); (iii) ways to incorporate a full  
736 spectrum of pain management methods into provider care practices including, but not limited to,  
737 acupuncture, exercise and other non-pharmaceutical interventions; (iv) the current coverage of  
738 pain management through commercial and public insurers; and (v) ways to ensure a full

739 spectrum of pain management interventions are covered through commercial and public  
740 insurance health plans.

741 (c) The special commission shall consist of the following members or their designees: the  
742 secretary of health and human services, who shall serve as co-chair; the chancellor of the

770 addition treatment center.

771 The commission shall: (1) solicit information and input from addiction treatment service  
772 providers, consumers, families and any other parties or entities the commission considers  
773 appropriate; (2) examine the effectiveness of addiction treatment services in promoting  
774 successful outcomes of recovery and wellness; (3) examine ways to encourage engagement from  
775 individuals in recovery from substance use disorders in policy development related to service  
776 delivery and the training and evaluation of services; (4) consider best practice models of delivery  
777 and the provision of recovery oriented services in other states; (6) examine mental health  
778 considerations when an individual enters an addiction treatment center, including, but not limited  
779 to, patient access to mental health services; and (7) recommend legislation to improve services  
780 for people in a state licensed addiction treatment center.

781 The commission shall submit a report to the general court of the results of its  
782 investigation and its recommendations, if any, together with any drafts of proposed legislation,  
783 with the clerks of the senate and the house of representatives, the chairs of the joint committee on

784 mental health and substance abuse, and the chairs of the senate and house committees on ways  
785 and means not later than January 1, 2017.

786 SECTION 61. Notwithstanding any general or special law to the contrary, the  
787 Massachusetts behavioral health access (MABHA) website, operated by the office of medicaid's  
788 behavioral health vendor, shall post contact information for all insurance payers, including a  
789 phone number which is accessible 24 hours per day, for the purpose of enhancing  
790 communication between payers and providers.

791 SECTION 62. Notwithstanding any general or special law to the contrary, the department  
792 of public health shall consult with the secretary of public safety, the superintendent of the  
793 department of state police, the Massachusetts Chiefs of Police Association Incorporated and  
794 others as necessary to develop an education and training program on the statewide centralized  
795 substance abuse service referral and education system. The education and training program shall  
796 enable municipal police officers to obtain information by phone or online regarding referral to  
797 treatment for individuals seeking treatment at local police departments. The department of  
798 public health shall ensure that the program provides daily updates and that the program is fully  
799 implemented under the second and third sentences of subsection (b) and section (c) of section 18  
800 of chapter 17 of the General Laws.

801 SECTION 63. Each city, town, regional school district, charter school or vocational

836 SECTION 69. The department of public health shall promulgate regulations to classify  
837 gabapentin and its chemical equivalents as “additional drugs” for the purposes of section 24A of  
838 chapter 94C of the General Laws.

839 SECTION 70. The first distribution to individual practitioners of the prescribing trends  
840 and profiles set forth in section 29 shall occur not later than March 1, 2017. The department of  
841 public health shall establish educational resources on prescribing practices and alternative pain  
842 management options not later than March 1, 2017.

843 SECTION 71. Sections 8, 9, 32, 39 and 43 to 51, inclusive, shall take effect July 1, 2016.

844 SECTION 72. Section 4 shall take effect September 1, 2016.

845 SECTION 73. Section 27 shall take effect October 15, 2016.

846 SECTION 74. Section 18B of chapter 94C of the General Laws, as inserted by section 23  
847 of this act, shall take effect December 1, 2016.

848 SECTION 75. Sections 7, 29 and 69 shall take effect on December 1, 2016.

849 SECTION 76. Section 31 shall take effect January 1, 2017.

850 SECTION 77. Section 55 shall take effect on December 31, 2021.
